Before returning home, they expect to visit several of the many other places of interest in the Southland.

Train service has been held up to a great extent this week owing to the snowfall of Sunday night, and Monday. Trains were hours late, particularly on the Ann Arbor Monday night and Tuesday. The morning motor, northbound, was annulled during the first few days of the week because of weather conditions.

An Inter-Bible School Basketball league has been formed here, the first game to be staged having been played Tuesday night in the high school gymnasium between the Boy Scout and the Presbyterian lads. The game resulted in a 10 to 6 victory for the Boy Scouts, after a hard fought fray. A lack of practice cost the Presbyterian five the game.

Albert J. Archer, city commissioner, has been named as a member of the Alma school board to succeed Mrs. J. W. Priest, who resigned a few weeks ago, owing to the fact that she was leaving the city with her family. Mr. Archer is a former member of the board, having resigned early last summer, after he had been elected as city commissioner.

A surprise was in store for those who attended the sacred concert at the Methodist Episcopal church Sunday evening, which was given by the choir, under the leadership of Miss Ruth Palmer. The choir was assisted by George Andrea Bennett and several of his pupils. The numbers given were highly enjoyed, particularly those by Miss Palmer and Mr. Bennett, as was the solo work of Miss Joan Sherman, Mrs. Tomlin and Howard Handley. Miss Udelle, with the violin, also proved very pleasing.

M. I. A. A. GAMES

Collegians Will Battle Adrian and Albion Friday and Saturday.

Coach Wood's sadly crippled Alma College basketball quintet will meet Albion and Adrian on the local floor this week in what is expected will be the first victories of the Michigan Intercollegiate season for the Maroon and Cream. At least indications are that the local five will be able to pull victories in each of the games.

Coach Ike Field's Albion College cagers are to be met on the high school floor Friday night, and a hard battle is in prospect with the Methodists, although Alma should win. Field will bring a team of huskies to meet the Maroon and Cream's mid-get court aggregation, and there is little question but what the Albion team, flushed with its three-point victory over Alma at Albion earlier in the year, will put up a great fight for the honors of the evening.

The Adrian College five, which defeated the Maroon and Cream in the first M. I. A. A. game played this year on the Adrian floor is in for a wallop, it is believed. Adrian was able to win from Alma on the small Adrian floor by a margin of less than two field baskets, and unless the Downstaters have improved considerably they will meet a small score defeat from the Alma five.

The Maroon and Cream will be somewhat stronger than in the last appearance on the Alma floor, when Crittenden was missing from the lineup. The stellar guard is one of the strongest men on the five, and the fact that he will be able to get back in the lineup promises to strengthen Alma to a considerable extent. It is doubtful if Gaffney, center, will be able to get back for the games this week, as he has not entirely recovered from his illness.

WAR RISK INSURANCE
Reinstatement Within 18 Months Still Holds Good.

To relieve any confusion that may exist in the minds of former service men on account of the special provision of lapsed War Term Insurance which authorized reinstatement up to December 31, 1919, regardless of the date of discharge, announcement is made by Director R. G. Chalmers, Jones of the Bureau of War Risk Insurance that the provisions for reinstatement of lapsed or canceled insurance, within 18 months from date of discharge, upon payment of only two months' premiums on the amount of insurance to be reinstated, provided the insured is in as good health as at the date of discharge or expiration of the grace period whichever is the later date, and so states in his application, still hold good.

The provision that discharged service men are permitted to reinstate at any time within three calendar months following the month of discharge by merely paying the two months' premiums, without making a formal application or a statement as to health is also still in force.

The provisions for reinstatement do not protect a man until he actually reinstates. If he waits he may not be in as good health as he was at the time of discharge and consequently may not be able to secure reinstatement.

Don't put off reinstatement. Do it now!
